Blessed is she who has believes that the Lord would fulfill his promises to her!

Luke 1:45 (NIV)

Women's Ministry

Unity, love, and peace- Parents should be careful not to allow the spirit of dissension to creep into home; for this one of Satan's agents to make his impression on the character. If parents will strive for unity in the home by inculcating the principles that governed the life of Christ, dissension will be driven out, and unity and love will abide there. Parents and children will partake of the gift of the Holy Spirit.
